Introduction

People know and believe in the religious ideas and beliefs conveyed to them by their ancestors , but how much truth is there in these beliefs?

Are they blind beliefs?

Or are they the truth ?

Or are they made up ideas by a group of people and are just some man made religions?

But if they are untrue then why would our ancestors do this ?

For easiness , for fame or for money ?

Separating themselves from the truth ?

Did they leave the Divine path in exchange for some worldly benefit ?

Until today many great philosophers and scientists have lived their lives in search of the truth .

Finding the Purpose of existence ?

So why were the Religions made ?

What is our connection with them ?

What “Are” they to us ?

Humans and religions both have lived on the earth for thousands of years , so

What is this all about ?

MONOTHEISM IN THE ANCIENT WORLD

Today there are ideologies being formed and promoted such as humanism which is a rational thought that gives prime importance to humans than to God . The reason such ideas are forming is because we are becoming unaware of the truth day by day .

The truth is simple , there was always one religion , and it has been on the face of the earth since day one , but to understand this one must study ancient monotheism .

Monotheism is a greek word , mono means single and theos means god . Monotheism is defined as the belief in one god , it is the opposite of Polytheism which is the belief in many gods.

Ancient people believed in three things :

The heavens or the skies

The earth or the human life

And the underworld or the land of the dead

The heavens were considered the domain of the gods and ancient people believed in a king of gods and the rest were lesser gods incharge of some task , then some lesser dieties were considered daemons which are evil and can possess people .

Ancient people believed this but there are many questions arising here .

First of all if there was a king of gods who was considered the most powerful of all then why would the great god even need lesser gods to do tasks that the great god can do with greater ease .

Second , the great god worshipped by all , if he saw the people worshipping other gods , would he not feel betrayed .

Lastly when the great god made a system for the universe and if another god made some changes to the system then would they not fight on the difference of opinions and end the universe .

Ancient people believed in many things as god such as stars , sun , moon , ocean , mountains and many animals as their god.

But was this the original belief ?

All the planets and galaxies in the universe , what is capable of keeping them all in orbit and system otherwise they would all just crash and again end of the universe .

MONOTHEISM

When we study the major religions of the world , the three most followed religions include the Abrahamic religions , and according to the scriptures of the Abrahamic religions , Adam was the first monotheist and the first man sent to earth by Lord . Adam was ordered by Lord to worship only Lord and none other . But later the people strayed and stopped believing in one Lord . This happened during Prophet Noahs era , then they were all washed away by the great flood for betraying Lord .

Ancient Egypt

One of the oldest civilizations is the Egyptian civilization . The ancient Egyptians believed in many gods like the cat , the

sun , the snake and some other gods . According to historians , the belief in one Supreme God is first seen in Egypt in 1353 – 1336 BCE . This was the era of pharaoh Akhenaton . Historians refer to him as the first monotheist . He promoted the worship in one God among the people of Egypt .

Ancient Greece

Ancient Greece is known for many discoveries , such as philosophy . Socrates is credited as the founder of philosophy . He was a wise greek man from Athens and his teachings were preserved by his disciple Plato . So did Socrates believe in one god ? Yes , he did believe in one Supreme being and he did not follow the greeks vision of the greek mythology which consists of multiple gods . Socrates referred to God as a singular Divine entity . Socrates even said that he was guided by an “ inner voice” . He differed from the greeks and was eventually poisoned by them . Today Socrates is accepted as one of the wisest men of history .

Also when we study the prophets in the Abrahamic religions we can see that the prophets were wise ones chosen by Lord from amongst their communities.

Then later Plato realized the belief in one god and according to him god is uncreated and pure and not subject to decay . Then after plato , Aristotle (384-322 BCE) realized the belief in one God , as he was dealing with metaphysics and the “Existence of the first principles” . Aristotle called God “The Unmoved mover” that caused all of us to move and he also called God “The first of all substances”. He accepted that the universe was created by the Divine . Also in his school The Lyceum he taught ways to deal with the soul , focusing on how the soul could return to the higher realm after death and reunite with the Most high God .

Ancient Persia

Monotheism can also be seen in ancient Persia . According to Zoroastrianism , Zoroaster was a prophet from 1000-600 BCE who promoted the worship of one God who was the creator of everything in the

universe. This was the original belief of Zoroastrianism , but with time people altered this belief in to a polytheistic belief. So it turned into the belief in two gods , the other god being an evil entity called druj .

In the ancient scriptures of Zoroastrianism called Dasatir e Asmani , in them God is referred to as one God Who has no image , no beginning , no end , has no father or son and we cannot comprehend God . Prophet Zoroaster brought this message to the parsi people .

Judaism

Ancient jews believed in One God , but with time they recognized some others as god which are called “sons of god” in genesis 6 . Moses was the prophet sent to them by God . Moses was an Egyptian selected by God sent to the Egyptians . Moses received

the 10 commandments from God on mount Sinai , this is mentioned in Deutronomy 5 : 6-21 , and in Exodus 20 : 2-17 .

“I am your Lord your God , you shall have no other gods beside me”.

But later the jews strayed and made a golden cow as their god . This event is mentioned in Exodus 32 which tells about this event when the Israelites turned away from god . In Deutronomy 6 : 14 it is mentioned “ Do not follow other gods”.

But they made the golden cow their god which was a man made thing .

There are other verses which prove the monotheistic nature of Judaism like in the Book of Deutronomy 6 : 4

It is mentioned that Moses says : “Your Lord is one Lord”

And in Exodus 20 : 3-5 it is mentioned :

“Thou shall have no other gods besides Me , thou shall not make unto thee any graver image of anything in the heavens and earth , You shall not bow down to them”

Hinduism

Monotheistic beliefs are also found in Hinduism .

In the Chandogya Upanishad Chapter 6 Section 2 Shloka 1 it is mentioned :

“God is only one”

In Shvetashvatara Upanishad Chapter 6 Shloka 9 it is mentioned :

“of that god there are no parents”

Then in Shvetashvatara Upanishad Chapter 4 verse 19-20 it is mentioned :

“of that god there is no image , the eye can not see the god”

Then in Bhagavad gita Chapter 10 verse 3 it is mentioned :

“They know me as the unborn and the supreme god of all the worlds”

Then again in YajurVeda Chapter 32 Mantra 3 it is mentioned :

“of that god there is no image , idol , portrait”

In RigVeda Book 8 hymn 1 Mantra 1 it is mentioned :

“Do not worship anyone but him alone”

Sikhism

Sikhism is another Monothiestic Religion . This can be seen in their religious scripture . The Guru Granth Volume 1 Chapter 1 verse 1 start with these words :

“God is only one , known as the true Creator , Who is free from fear and hate , the immortal”

In Sikhism God is also called Kartar , meaning Creator .

Sikhism is against Avatarvada , which means God taking incarnation in human form , and Sikhism is also against idol worship .

Islam

Islam is a Monotheistic religion . Its revelations were given to the Prophet Muhammad (pbuh) by Lord. Prophet Muhammad (pbuh) preached Islam to the arab people . The monotheistic belief of islam is described in Surah Ikhlas , Chapter 112 of the Qur’an :

“Say , “He is God , The One . God The absolute . He begets not , nor was he begotten . And there is none comparable to Him .”

Muslims worship one Lord and believe that Prophet Muhammad (pbuh) is Lord’s last messenger .

Also the Qur’an does not preach of any sects which can be seen in the Muslims today . Also the Muslims who go to the graves of saints to get themselves forgiven , these Muslims are also not following the Qur’an . Because the saints are dead and buried in their graves , they cannot do anything for them .

Christianity

Christianity believes in Monotheism but in a confusing way .Christians believe in one God who exists in three persons:

God the Father, God the Son (Jesus Christ), and God the Holy Spirit.

But Jesus never claimed divinity , in the entire bible it is not mentioned that Jesus said that : “I am God”.

Like in 1 Peter 3:21-22
It is mentioned :

“And this water symbolizes baptism that now saves you also—not the removal of dirt from the body but the pledge of a clear conscience toward God.[a] It saves you by the resurrection of Jesus Christ, **22** who has gone into heaven and is at God’s right hand—with angels, authorities and powers in submission to him.”

By this verse it feels like Jesus is a separate entity .

Also how can God be father and son at the same time ?

And why would God come to earth to convey his message , he could have sent a prophet like He has sent Prophets numerous times in the past ?

Also is there a truthful eye witness for crucifixion ?

Also Jesus was born from virgin Mary , He had no father , so how can He have a father ?

There are many verses that are Monothiestic in the Bible.

Like in Gospel of John

Chapter 14 verse 28

“My Father is greater than I “

Then in Gospel of Matthew

Chapter 12 ,verse 28

“I cast out devil with the spirit of God”

Then in Gospel of John

Chapter 10 ,verse 29

“My Father is greater than all”

The miracle of Jesus birth without a Father happened by Lord’s command , But how can this make the Lord a father , This is Blasphemy , The Lord is Pure , Free from human acts .

Other Monotheistic verses include

Gospel of Luke

Chapter 11 ,verse 20

“I with the finger of God cast out devil”

Gospel of John

Chapter 5 ,verse 30

“I can of my own will /self do nothing ,as I hear , I judge and my judgment is just for I seek not My will but the will of My Father”

Gospel of Matthew

Chapter 19, verse 16-17

“Good Master , what must I do to achieve eternal life”

Jesus replied:

“Why thou call’s me good , there is only one Good and that is God , if thou want to enter eternal life , you should keep the commandments”

Book of Acts ,Chapter 2 verse 22

“E men of Israel listen to this , Jesus of Nazareth , a man approved of God amongst you by miracles and wonders and signs which God did by him and you witnessed to it”

This verse is proof of that Jesus was Lord’s chosen messenger like Adam , he had no father too. Chosen by Lord to preach the message .

Jesus clearly says in

Gospel of Mark , Chapter 12 ,verse 29

“ Yoro Israel , Your Lord Our God is one God”

No trinity , just one God , and Jesus was the messenger of God , and Jesus never claimed divinity , He never said that I am God , Jesus was a messenger , this is even confirmed in the last Abrahamic scripture.

According to Google Bible is the most read book in the world , but is it the most truthful book in the world ?

Christians say Jesus died for their sins but then why are there so many verses about the accountability of sins in the Bible?

Why are there so many contradictions in the Bible if its God’s word , humans make mistakes not God , Was the Bible altered by humans ?

These are some of the major contradictions :

In Book of Acts 1 Judas buys land with the money he took from the jews to betray Jesus while in Gospel of Matthew 27 judas felt so guilty for betraying Jesus that he hung himself .

Ecclesiastes 1:4 and 2nd Peter 3:10 contradict .

1st Chronicles 21:1 and 2nd Samuel 24:1 contradict each other .

In Matthew 24:36 it is mentioned :

“But about that day or hour no one knows not even the angels in heaven nor the son but only the father”

Then in Matthew 24:36 KJV it is mentioned :

But of that day and hour knoweth no man not the angels of the heaven but my father”

If the son did not know but the father did , so does this mean that they are both separate entities?

They are two different beings ?

God knows what is right ?

In Book of Acts 8:37 it is mentioned :

“Then Philip said “If you believe with all your heart you may”

But in the older manuscripts of the Bible it is mentioned like this , then in the newer versions it is mentioned like this in Book of Acts 8:37 : “I believe that Jesus Christ is the son of God”

According to some religious scholars of the Bible , the Trinity was not even mentioned in the earliest Greek Manuscripts of the Bible .

Bart Ehrman 1955 , an American New Testament Scholar said :

“One thing we can say for certain is that there are more differences in our

manuscripts than there are words in the New Testament”.

According to Gospel of John 3:16 , Jesus is God ‘s begotten son , but Jesus was born from virgin Mary and she was virgin , but they also say God is pure, so how could he have a father , which is true ?

There is even a group of verses in the Bible which indicate that Jesus was taken to the heavens safely before crucifixion , it is mentioned in

Psalm 91:10–16

New International Version (2011)

---

10 no harm[i] will overtake you,
no disaster will come near your tent.
11 For he will command his
angels[j] concerning you
to guard you in all your ways;[k]
12 they will lift you up in their hands,
so that you will not strike your foot
against a stone.[l]

13 You will tread on the lion and the cobra;
you will trample the great lion and the
serpent.[m]
14 “Because he[b] loves me,” says the LORD, “I
will rescue him;
I will protect him, for he acknowledges my
name.
15 He will call on me, and I will answer him;
I will be with him in trouble,
I will deliver him and honor him.[n]
16 With long life[o] I will satisfy him
and show him my salvation.[p]”

Saint Augustine 354-430 AD , theologian , accepted that Psalm 91 speaks of Jesus .

Exodus 20:13 and Deuteronomy 7:16 also contradict each other .

There are also many verses the accountability of sins,

In Book of Leviticus 26:18

““And if, in spite of all this, you still disobey me, I will punish you seven times over for your sins.”

Then in Galatians 5:19 it is mentioned :

19 “Now the works of the flesh are obvious:
fornication, impurity,
licentiousness, 20 idolatry, sorcery, enmities,
strife, jealousy, anger, quarrels, dissensions,
factions, 21 envy, drunkenness, carousing,
and things like these. I am warning you, as I
warned you before: those who do such
things will not inherit the kingdom of God.”

Conclusion :

In the end , everyone strayed from the True religion and ended up forming their Man Made Religions . We all are the same in this sense or way , because those who don’t stop at the boundaries , then they keep going , and then , they don’t see the boundaries anymore . They stray , from the Truth. But Today once again some are realizing the Truth . In Unitarian Christianity they are promoting the belief in one God , rejecting the Trinity , they believe that Jesus was God ‘s messenger not son , this belief can also be seen in the final Abrahamic scripture . Then in japan , a new group has been formed called Seicho no Ie, they also

believe in one God .This means even in the midst of such dense polytheistic beliefs there are people who are realizing the Truth .

It is mentioned in The Book of Acts 15:21

“For the Law of Moses has been preached in every city from the earliest times”.

UNDERSTANDING THE LORD

The Lord is the Supreme Being Who created the universe . The Lord has the power to create living beings and test

them . So Lord did that . We are the creations and this world which we are facing is the test , but why is there so much injustice in the world ? It is true there is so much unfairness in the world but we can not fully understand why , because we humans are limited in knowledge and action , and Lord knows every thing that we don’t and can not understand . For example if a person is poor may be this is because if he were rich then maybe he would not have had the heart to share his wealth . May be , Lord knows why , we can not fully grasp this all .

One must worship Lord , this was the message conveyed by all the messengers, from the first man and prophet Adam till the last messenger Muhammad (pbuh) , to worship only one Lord Who is All Powerful and All Knowing and Independent and is the Creator . And we are the creations and we often depend on others to complete even a single day , because we human s cannot live alone .

Lord is like our boss , like we follow the orders of our superior because we have to , and Lord is the Supreme Being and our

Creater , Lord gave us life or we would have been dead . We do not even know about the vastness of the universe , we can’t even go further than the moon , we are very small and limited , but Lord knows about the universe , because Lord created it , Lord is the Creator . We can only see what is infront of us , see things as they are , like inequality , injustice , the unfulfillment of many wishes etc. Because we are limited . We cannot get justice for everything today , but on that day ,the Final Day , we all will get what we deserve and have earned .

One Must understand why the Lord created us ? Lord wanted to test a creation with a freewill , us , we have a free will . Lord wants to see us be obedient to Lord despite having a freewill .

Lord is the only Being worthy of worship , we do not even possess half of the strength that Lord possesses . Lord has been present since forever infinitely and for forever , this is also something difficult to understand because we humans are limited in Time . Lord created time and space and Lord will end this all on the final day .

The Beginning and Our creation can be understood by this example :

Like when we create something like an essay or any piece of work , this thing is our idea and effort and no one will adore it the way we do . This feeling of adoration even if we share it with someone else , it can not be conveyed by words . This love is for something you and only you worked on and only you can fully understand its value .

Lord loves us the same way because Lord created us , Lord loves us the way we are , Lord wants to see us obey . Lord sees our faith .

Another example if you created a living being , would you want it to obey you or rebel against your orders?

Another example is of a dressmaker who puts hours of hard work and precision in making a beautiful dress . Now he would want his hard work to be respected by others , but if he sees his dress rejected and disrespected by the people , then he would be heart broken .

Another example is of a farmer who works every day to grow his crop, but if he sees people wasting the fruits of his hard labor , then he would be heart broken .

The same way we are the creation of Lord , The Creator and when we sin , Lord does not like this because when we become disobedient to Lord then we become unrespectable infront of Lord and then Lord will lower our rank or throw us in hellfire .

We all admire something like beauty , wisdom , justness etc. Lord is the epitome of all Good . Lord is the Most Beautiful but Lord has concealed the appearance from us we won’t be able to bear it neither was Moses able to bear it . Lord is the creator of the sun , we can’t see the sun and today bigger and brighter stars have been discovered in the universe , and Lord created the universe .

Lord is the only One worthy of worship , there is none like the Lord , no being , because Lord created everything . Lord gave us life , a soul or we would have been a dead body .

Infront of the Lord , ones capability is measured by ones good faith action and words , not by wealth status or background . And the After life can not be bought , one must earn it . We will have to prove our love for Lord and we are tested by not having something . Our Lord sees our hardwork with love and on the final day every one will see it too because all the curtains will be lifted . This life is work and a little bit of a wait , but it wait , but it will all be over , One Day ,That Day . Like all other things will end as well .

Conclusion Lord wants to see us evolve and succeed in this lifes journey .

Understanding the Reason of Our Creation and Existence

Why Were We Born?

We All search for a reason to move forward , but why did Lord create us?

Because Lord is capable of doing so , Yes , but why?

To Worship Lord and obey Lord , Yes, and also to suffer?

But to suffer for Lord ,to prove our worth to Lord ,like in this world we prove ourselves to our boss.

For Example , in this world when we suffer for someone else’s sake and do something for them then we become precious , important and respected in their eyes .

The same way when we obey Lord we become important to Lord and also become a step closer in acquiring paradise .

Life , unfairness, chaos , conflicts and the unfulfillment of wishes , all of these things trouble every one until we realize the truth .

This Life is a test of faith and patience , We are all in this together , we should help each other .

Every one is destined to suffer in some way different from the other , one may suffer financially the other by a disease and the third person might be ugly and suffer by only their appearance . But don’t let the devil drown you in despair that you either end up hurting your self or some one else .

The devil will always try to stray you, but we humans are stronger than the devil , we can defeat him every day . Humans are not pessimistic by nature . The truth is every one’s existence is important .

Have You Ever imagined that What if I did not exist ?

It is unimaginable ,

We are all important .

As we live more , we realize that every day is the same struggle , every thing repeats every day and life feels monotonous , this is the point when we think that there must be something more . When we live to just die one day from this finite existence , we feel empty inside and sad . Then we try to find something precious and meaningful , something that fills up our lives . We search every where for the purpose of our existence . Were we created to just die one day after living a small troublesome life ? There must be something more .

Then we look around us and try to understand every thing , like we require

oxygen to live on earth but why is the earth the only planet inhabitable , or like we need sunlight to live on earth but why is earth the only planet which does not freeze like Neptune or burns like venus instead we receive an exact amount of sun radiations so that we can live . Also why is the sun and all the planets of the universe in Perfect orbit and system and they don’t ever collide each other and end of the universe . Who and what is keeping every thing in order and system . It is the Supreme Being Who keeps every thing in orbit and order . Because if Lord won’t do that , then the planets won’t be flying anymore , they would fall down , and the end of the universe .

Metaphysics explores the fundamental principles that govern the universe time and space . It is the Lord The Ultimate Independent Being , unlike us the dependent creations . This is the Truth which even the great greek philosophers accepted .

Then if we think about why Lord created us by another logic , Then it can be said because of all the good we are capable of and like one must suffer to become good , to

grow and to evolve into qualities like compassion , fogivingness , just ness , tolerance and to even care .

Lord is the Truth and Lord has given us this test of patience and faith and in the end of it if we succeed then Lord has promised us paradise .

Today people are away from the Truth ,

It is an age of Light and knowledge ,

But filled with Darkness and sin .

The entire life is a test to win from the satan and we must try to win with good marks . And it is easier than final exams really , nothing is more stressful than finals.

We study day and night for finals , it is easier than that.

Man’s relationship with Lord is beautiful if we can understand it one day . To love something that you can even die for it , it’s really beautiful . For Lord , is the Truth and the world is filled with lies .

When we are done with one phase of life we forget the difficulties of the previous phase and move on , but in many of those times we are guided by Lord to do the right thing , Lord even make’s a way for us many times,

Lord does help if we notice it . Facing the present , when we look at our past sometimes , then the past feels like a distant dream that passed away , and one day this entire life will pass away and then on the final day looking back on it will feel like looking back on a dream , a dream built by effort and faith , this dream does not need to be flashy but only for Lord , that is it.

Pray to Lord , Lord does lesson our strife , but this life is a test given to us by Lord .

So what is the purpose of life , I can’t die unhappy ?

I want a perfect life , Perfect job , car , house and partner ?

This small life won’t be good enough , wishing for happiness all my life and not even getting half of it ,

After all , all wishes don’t come true , so should we not wish , no , we should , they might come true ,but all of them will come true in the next life . This is part of the test of patience and faith . This world is very temporary. Our wishes are endless and when they don’t come true we become impatient and unpeaceful

But there is a way to pacify the heart , by Connecting with Lord one can be at peace , it is true we want to have some fun , but there is more than this small temporary life , One won’t feel like losing everything when you understand that there is an after life a happy and peaceful one . We all will die soon and time is short and running out . The more one sways the more difficult it becomes to come back from sin to the right path .

Also why do I even have a desire to wish infinitely , to have everything , to live like a king , despite knowing this that only the king can live like a king .

We ALL Question This Life , is this just a coincidence , No . We are always searching for the Truth.

Every student can not become a good teacher, we are all limited in our fields and we have to depend on the other person for some specific task . But Every one has something that the other does not .

One may have wealth

One may have health

One may have skill

One may have intellect

And sometimes we become proud of this one thing ,

Even the fruits one eats is the labor of a farmer meaning another person . Only Lord is All Powerful.

But there is one thing We Do have a complete control over , our free will , what we want to do , right or wrong , at all times .

If you think that there is one life then that is up to you , but also think next that “WHAT IF IT’S ALL TRUE”!

And if it is then the purpose is clear , to belief and worship and obey The One True

Lord . Because this life is very small and temporary and we all will die soon and meet the Lord , and then we will be given what we deserve .

WHY CHOOSE RELIGION ?

Lord our Creator has given us the intellect to separate right and wrong , after all every child is born pure and innocent.

But to live an entire life , one requires a guide , a path.

Which was given by Lord to the messengers who came again and again to the people to convey the message,

And they were all human just like us all but were the chosen ones .

We are human , we need boundaries or we will stray from Lord’s given path . We stray because we are human , it’s what makes us human , we have been given a free will by Lord , but how to understand what is good , to do the right thing ?

We are not smarter than the one Who gave us the intellect .

There are 3 kind’s of people :

Those people who go with the flow .

Those people who take the right path .

Those people who make their own path .

But how does one understand what is the right way ?

For example is robbing good or bad?

If I rob it is good for me, so how is it bad ?

It’s good , right ?

No it is not good , and you know how humans learned the law of not stealing , by religion , by the first ,the true religion which continued on till the last one .

The people who strayed from religion , they followed their personal desires and made them god . Those who make a sin permissible are sinners indeed and history is evident anyone who ever tried to fight Lord was washed away from the surface of the earth .

These people were not chosen by Lord .

These people chose themselves to create chaos.

Today many are unaware of the Truth , it has been covered by many layers .

We will be Answerable to Lord , not the people or some social standards or classes , all of this is man made .

If one blames Lord for the crimes and injustice in the world , then this statement is incorrect , because all of this is happening because of the free will of man used by him wrongly , the fault is of man .

Again ,we are all born on goodness , then as we grow our parents teach us what they follow , but if the parents follow a false god , then the fault is not of the parents , the

main fault is of those people who hid the truth from reaching to them . The parents only fault is that they did not try to understand the truth .

Lord created us because of all the good we are capable of .

So can a human be good with out religion ?

How can one be good if they don’t thank their Creator Who gave him life , or otherwise we would be a dead body . Ungratefulness is considered rude even among humans . One’s good deeds won’t pile up unless and until one learns to thank and obey the CREATOR

WHO GAVE YOU LIFE AND INTELLECT .

The process of understanding Lord is lengthy , but with time , we will and do understand .

BUT Does the devil control people like a puppeteer , no, because we are all fighting amongst ourselves , we can also do what is right . We have the power to do that . We fight because of differences , even a father and a son can have different opinions but

they don’t kill each other instead they learn to live with that .

Today people have become more free and don’t fear God and sin because they are far from the truth .

One’s own path can be anything they “think” is right , even if it’s not .

We try to find happiness in movies , makeup , music , dramas , dressup , food , accessories etc, but this is all very temporary , then one feels empty again when done , eternal fun is only in heaven . But Today understanding the truth has become very complex and difficult .

Religion is a lot like this example , of a bird in a cage who has wings and can fly , this bird is capable of doing all kinds of things , but it is caged , but then when this bird is freed to leave the cage , now this bird has a freedom (free will) to extend beyond the boundaries of the cage , but if this bird truly loves his Master no matter what , and if it knows what is good for him , and if this bird understands that what his Master is doing is to keep him safe , then he will stay in the

boundaries of the cage , also this cage is not that small as much as your thinking .

Now let’s take a real life example of a woman who wears covered clothing to protect herself from satanic gaze and actions. But this woman also has the freedom to wear what she wants or what pleases the people , but if she wears clothing that is too revealing , then she won’t be safe , not in this world , also in the end every one can not be pleased . (Only please the Lord)

Lord knows the human limits Lord made us ,

Lord does not ask us to become vegetarian ,

Lord does not ask us to remain unmarried all life ,

Lord also does not ask us to pray and fast forever .

All of Lord’s command ‘s are very moderate , but if you feel like you don’t want to pray then think of it this way that its like that one really bitter medicine you must take for your own good .

Conclusion : Religion (the true one which has existed since Adam) is necessary to live peacefully and acquire paradise in the end .

Prophecies :

I want to conclude this book by adding one last prophecy from the Bible regarding the last messenger Muhammad (pbuh)

In Isaiah 42 , the words servant of God , Chosen one and beloved of God are the exact titles used to refer to the prophet Muhammad (pbuh) used in Arabic as

Abdullah , servant of God

Mustafa , Chosen one

Habeeb Allah , beloved of God

Also in Deuteronomy 33:2 it is mentioned :

“he shined forth from mount paran and came with ten thousands of saints”

Paran is referring to the region of Makkah where the prophet Ismail lived as mentioned in Genesis 21:21, and this verse of Deuteronomy is referring to the first revelation event which happened with the prophet Muhammad pbuh . Also the prophet had ten thousand companions when he returned to Makkah from Madinah .

Then in Isaiah 60 : 1-7 it is mentioned :

Here is **Isaiah 60:1-7**:

1. **Arise, shine; for your light has come , and the glory of the Lord has risen up on you.**
2. **For darkness shall cover the earth, and thick darkness the peoples; but the Lord will arise upon you, and his glory will appear over you.**
3. **Nations shall come to your light, an d kings to the brightness of your dawn.**
4. **Lift up your eyes and look around; t hey all gather together, they come to y ou; your sons shall come from far away , and your daughters shall be carried o n their nurses' arms.**
5. **Then you shall see and be radiant; y our heart shall thrill and rejoice, becau se the abundance of the sea shall be br**

ought to you, the wealth of the nations shall come to you.

6. **A multitude of camels shall cover you, the young camels of Midian and Ephah; all those from Sheba shall come**

All these events are referring to the events after the conquest of Makkah.

Also in Song of Solomon 5:16 it is mentioned :

The Hebrew text of Song of Solomon 5:16 is: חִכּוֹ מַמְתַקִּים וְכֻלּוֹ מַחֲמַדִּים זֶה דוֹדִי וְזֶה רֵעִי בְּנוֹת יְרוּשָׁלִָם.

Transliteration

Chikó ma-m'takím, ve'kuló maḥamaddím, zeh dodi ve'zeh re'i, benot Yerushalayim.

Translation

This verse translates to: "His mouth is sweetness itself; he is altogether lovely. This is my beloved, this is my friend, O daughters of Jerusalem."

Notice that in the Hebrew verse the word Muhammad im is used which is the name of the last messenger of Lord , also in hebrew

Elah means God and Elohim is plural of respect , like how the Queen of England uses the word “WE”,
Muhammad im is also written with the plural of respect .

The last prophet has also been prophesized by jesus in

John 16 : 12-14 :

12 “I still have many things to say to you, b
ut you cannot bear them now.
13 When the Spirit of truth comes, he will g
uide you into all the truth, for he will not sp
eak on his own authority, but whatever he h
ears he will speak, and he will declare to yo
u the things that are to come.
14 He will glorify me, for he will take what i
s mine and declare it to you.”

And in

Isaiah 29:12 (KJV) states: **"And the book is delivered to him that is not learned, saying, Read**

this, I pray thee: and he saith, I am not learned"

This is the exact way Muhammad pbuh received the first revelation .

The Last Messenger has been prophecized in the Bible .

CONCLUSION :

I just want to conclude this book by saying this that

Don’t let that day be the day you realize what this life really means , because then it will be too late to accept the Truth .
